Let There Be Mom

Helps mothers who have been diagnosed with a life threatening illness set up their legacy. They are here to assist these moms in preserving the traditions they have started, the memories they have made and the hopes and dreams they have for their children. Their teams of volunteers also step in to help alleviate some of life's everyday stresses. This allows Let There Be Mom families time to focus on their health and on creating more memories.

Daily Bread Ministries

The soup kitchen is a non-profit, charitable organization operated solely by volunteers, created when concerned citizens in the Greer area saw the people in their own town were going hungry. It was founded in July 9th, 1990 along with the Greer Soup Kitchen. When the soup kitchen opened its doors one meal was served. Today they serve over 100 meals a day.
